What to expect from Audi Queensway?

Located on the Kipling side of our property is our Service, Parts and Pre-Owned Departments. Our Service entrance is located on the east side of the building where you may park your vehicle when coming in for service.

We have a comfortable waiting area where you may enjoy reading a newspaper or watch some TV or even work from our Customer Business Lounge while you wait for your vehicle or your ride.

Your vehicle deserves only Audi Genuine Parts and Accessories which are available in our Parts Department.

"The thing I'll remember the most when I graduate this year is the way co-founding and leading an association has guided me to learn, develop, and build. Working with Student Life this year allows me to share the experience I gained throughout my past years at UTM. I'm thankful for such a supportive, energy-filled team, team SOCCR, who always push me to pursue my goals. "

- Sara, UTM Student

Arts & Culture

Arts Festival

The UTM Arts Festival is an annual event that provides our students with opportunities to express themselves creatively regardless of academic discipline. This experience is unique and extremely valuable to our students who prove year after year that the UTM community is rich with talent that deserves to be showcased.

Blackwood Gallery

The Blackwood Gallery is a contemporary art gallery situated on the Mississauga campus of the University of Toronto. The Gallery presents curated exhibitions featuring the work of local, national, and international professional artists. The main space of the Gallery is located in room 140 of the Kaneff Centre on Inner Circle Road. The Blackwood has an additional exhibition space, the e|gallery, on the ground floor of the Communication, Culture, and Information Technology Building (CCT). The Blackwood also programs the Bernie Miller Lightbox on the outside of South Building.

Theatre Erindale

Theatre Erindale, the production company of the [Theatre and Drama Studies program](#), presents a full season of plays in the intimate, state-of-the-art Erindale Studio Theatre. Every student in the program works on two of these shows per year. In first and second year, production duties consist of backstage, technical and front-of-house work with increasing levels of responsibility. In third year, students advance to the public performance of mostly supporting roles, and further prove their abilities through the Junior project. In fourth year, acting responsibilities progress to mostly featured roles, and are accompanied by a dramaturgical study of the plays.

Theatre Rental

Our spaces are available for rental in the summer months, and the MIST Theatre is also available at various times during the school year.

Call Peter Urbanek at 905 569-4739, or email [Peter Urbanek](#).
